PRESS RELEASE FROM 5-6-7-8 DANCENTER

*We're all
IN THIS
together*

Hello everyone!

We are so excited to be returning to our classes June 1st through July 2nd, and want you to know that we have been working hard on our plans to keep everyone safe and still practice those recital dances so we will be ready for recital in July. We will have new rules and procedures upon opening and we will need everyone's help to make things go smoothly. **FIRST AND FOREMOST!!! IF YOU HAVE BEEN ILL OR ANYONE IN YOUR HOME HAS BEEN ILL OR HAD A TEMPERATURE OF MORE THAN 100.4 IN THE LAST 72 HOURS....DO NOT COME TO DANCE!!!!** When we come back, all dressing rooms will be closed. We ask that you bring your dancer to the front door and that they wear their dance attire and not bring any other clothing into the studio. We ask that you bring a small backpack containing your dance shoes and any other dance attire that you will need (such as a ballet skirt) and your water bottle which is already filled. We will still sell water at the front desk but after you purchase it you must keep it with you in your dance bag. Do not come early as we will not have a place for sitting while you wait. You will be met at the door, your temperature taken and you will be given hand sanitizer. You will then proceed to your dance class and given instructions by your teacher. At this time we are not allowing any parents to come into the studio. Please stay in your cars or run errands etc. We will be ending classes 10 minutes early and releasing students one by one to exit through the door in the Jazz room. We are using this time for the teachers to sanitize the room including floors before the next class comes in. Each student will be given hand sanitizer as they leave their dance class.

We ask at this time that you send a check for your tuition or that you call the studio during your child's class and give the desk worker your credit card number and we can run your payment. We have taped grids on our dance floors and have partitioned off much of the lobby areas at this time and we ask that you do not bring food inside. All cell phones must remain in the dancer's backpack until class is over.

We will have a restroom monitor who will sanitize the restroom after each use. We have many classroom procedures in place for social distancing during class to keep everyone safe. All teachers and workers will be mandated to wearing masks. We highly suggest that all dancers wear masks also.

Toddling Two classes: Parents will be admitted to this class as it is a Mommy and Me class.

At this time we ask all parents to let us know if you will not be returning for classes in June so we can make adjustments to spacing in our recital dances. Please just email us and let us know if you are not returning. Otherwise we so look forward to seeing all our beautiful and handsome dancers!

Watch our Facebook page for more updates and the latest recital information including sale of Recital Tickets!!

Most of our Recital Costumes have been received but if you have not received yours, you should get it the first night back from our break.

SUMMER CLASS REMINDER - The dates for summer classes are **July 20 - July 30**. See Summer Brochure that was sent out with our April Footnotes on April 3rd or on our website. This will only be a two week period and we will be holding each class twice per week to ensure each student receives a regular month of classes or 4 sessions. For example, if you are taking Ballet 1-2 class. It will be on Monday night 5:00 pm - 6:00 pm and again on Wednesday night from 5:00 pm - 6:00 pm.
